# ethos

## Ergonomics and comfort

**Ethos** is a new travel experience ensuring a greater passenger comfort thanks to its robust and flexible fabric support.

## Living space

**Ethos** ensures increased living space for the passenger, thanks to the ultra-slim profile of the backrest.

## Ecology

Fewer components allow easy disassembly and recycling. Quick and easy installation combined with simple, low-cost maintenance.

## Customisation

The style of **Ethos** allows a high customisation thanks to a wide range of upholstery and combination of different colours and trim.
